GROW AND EMBRACE CHANGE
TO BECOME A MASTERPIECE

#followtheyellowbrickroad

Four or five years ago, somewhere along Lorong Napiri, a group of GEMies entered Bowen Secondary School where they were warmly welcomed by older GEMies and the Bowen Bear with a big heart.

Dear students,

You have worked hard to reach this stage. Let's celebrate our efforts!

Finally, we are about to receive our results!

Today marks the completion of that journey. You, our GEMies, shine brightly, each one of you having become a Masterpiece in your own right.

**GROW AND EMBRACE CHANGE
TO BECOME A MASTERPIECE**

Of course, it was not always an easy journey.

Along the yellow brick road, there were challenges.

Some faced rough terrains...

Yet, through it all, their shiny Ruby Shoes and the school motto “**I Believe, therefore I Am**” – reminded them of their strengths.

Armed with resilience, compassion and an excellence mindset, they persevered, overcoming adversity and continuing down the yellow brick road to the Emerald City.

Remember that while **everyone's educational journey is different, we can each have a fulfilling outcome!**

**As this journey ends,
another one begins.
The road ahead will be
about discovering who
you truly are and where
you belong.
Like Dorothy, trust in
yourself, and you'll find
your way.**

Resources to support you as you receive your results

Receiving your results and making decisions about your post-secondary pathways can be exciting to some, but stressful to others.

Concerned About Your Next Step?

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is not the end point and is only one part of your life journey.

Do

- Have conversations with trusted adults who know you well to advise and guide you (parents, teachers, ECG counsellor).
- Decide and act based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

... some questions their path:

Who am I?

Where do I want to go?

Where is the yellow brick road?

You have the intelligence and the knowledge to navigate your future. Like the Scarecrow, never doubt your ability to think creatively and solve problems.

You have learned how to think critically, solve problems, and adapt. You are leaving Bowen not just with knowledge, but with the wisdom to use it well.

Reaching out for support is a sign of strength

If you have questions about your options or are not coping well, you can reach out to trusted adults such as a parent/guardian, teacher, school Counsellor or ECG Counsellor. You can also talk to a trusted friend.

Who can we go to for ECG advice?

Make an appointment to speak with your ECG Counsellor in school

OR

Make an ECG counselling appointment via the ECG Centre @ MOE

<https://go.gov.sg/moe-ecg-centre>

IT'S NOT
WHERE YOU GO

IT'S WHO YOU MEET
ALONG THE WAY

Like Dorothy's companions who walked with her on the yellow brick road, remember that you are never truly alone. Cherish the friends, family, and mentors who support you as you venture into your future.

And in the pursuit of success, don't forget the Tin Man's lesson—the importance of heart.

Over the years, we've seen you support one another or lend a helping hand to a friend in need.

These qualities are just as important as the knowledge you've gained.

The heart you've shown will lead you to build relationships, nurture communities, and care for those around you.

Having difficult emotions during a stressful and uncertain period is normal. Keep a look out for some of these signs:

**D
